Genesis Nursery reuses and/or recycles our flats, pots and seed bags. We will pick up sizable quantities of flats, pots, or seed bags from your shop during a regularly scheduled delivery. We also ship using recycled packaging.	Sun/shade P = prairie, S = savanna, W = woodland. Wetness Emer = 0-4" water, Wet = spring and summer wet soils, Mesic = soils where water does not run in or off, Dry = sloping soils where water runs off, Xeric = soils with rapid internal drainage. Comments aggr = aggressive, calc = calcareous soils, grou = ground cover, leg = legume, orna = ornamental, rhiz = rhizomatous, sand = sandy soils.											
Delivery is \$75 within 100 miles of Tampico, IL; \$100 fee for 101-150 miles; \$150 fee for 151 to 249 miles; anything 250+ miles please call for delivery fee quote. All fees are quoted and billed per drop.												

Box truck 15,000-19,000 plants, ca. 390-500 trays.

Van capacity 100 trays.

Partial flats subject to a 20% surcharge per plug.
